Who We Are

The American Association for Nude Recreation – Western Region (AANR-West) encompasses Arizona, California, Colorado, Hawaii, Nevada, New Mexico, Utah, and Wyoming. Spanning these 8 states are approximately 40 clubs that offer pools, sports activities, camping, special events, and camaraderie.

When you join AANR-West, you open a whole new world of nudism opportunities as well as enjoying the company of like-minded people.

AANR-affiliated clubs and resorts (there are over 200 clubs nationwide) must meet the standards imposed on them to ensure guests feel safe and protected and embody a wholesome family-oriented non-sexual climate.
